PROJECTS

VANS (Video, Audio, Networking Service) | GitHub: https://github.com/Sergey-ddbug/VANS **|** Deployed: http://vans2021.herokuapp.com/
- Summary: An online service that is available to you from anywhere. Link with others to give them your knowledge and experience or learn decent topics from them.
- Role: Front and Back end
- Tools: React.js, Bootstrap, Twillio, Express, SequelizeCLI, Express

Employee Directory | GitHub: https://github.com/vmidor/19_employee_directory **|** Deployed: https://guarded-falls-04801.herokuapp.com
- Summary: Manager or employee can view non-sensitive data about other employees. They can filter employees by: First and Last name, email, cell phone and DOB.
- Role: Sole author
- Tools: React.js, API, Bootstrap, Font Awesome

Stock Search Application | GitHub: https://github.com/naisthorpe/crypto-stock-app **|** Deployed: https://naisthorpe.github.io/crypto-stock-app/
- Summary: Stock app allows you to search any stock symbol and view the stock's information, Yahoo Finance articles relevant to the stock, and Reddit posts from r/investing that mention the stock.
- Role: Front/Back end
- Tools: Yahoo API, Reddit API, MySQL, JavaScript,

Vaccination Application | GitHub: https://github.com/Team-6-Project-2 **|** Deployed: https://viktoriiasvaxxpassport.herokuapp.com

- Summary: This app allows you to track your vaccine record, and share it anonymous with anyone (or any agency) that requires proof of vaccination. (Except for the part about how this is just an academic exercise)

- Role: Front/Back end (Group Project)
- Tools: Express, HandleBars, MySQL, Sequelize, Dotenv, Bcrypt, NodeMailer.

EXPERIENCE

David Yurman   **2019-Present**
Visual Coordinator /
Brand Ambassador   **Charlotte, NC**

- Primary responsibility for coaching staff to achieve high levels of sales results and service scores.
- Successfully achieved over $1million in retail sales across categories including bridal, men & women's fine jewelry.
- Focused on and provided an exceptional customer experience.
- Effectively achieved second position among the Brand Ambassador's in the sales goal on the East Coast and got three promotions within one year.
- Maximize all selling opportunities to achieve/exceed store KPI targets, while tracking performance against goals
- Manage stock control and delivery procedures in the store to ensure a 100% accurate inventory of merchandise

Swarovski   **2018-2019**
Operation Coordinator
Business Development Specialist   **Charlotte, NC**

- Surpassed multiple sales goals.
- Lead a high performing customer facing and service orientated team. Coached and provided feedback to the team as necessary to ensure all customers serviced in the store are given the full Swarovski Experience in line with brand strategies.
- Won Sales Associate of the Month and increased returning customers' sales.
- Worked closely with the Store Manager to develop and retain talented employees, by recognizing and rewarding performance through monthly development plans and annual performance reviews
